Miscellaneous	

COMMENTS: South Dakota's Department of Health and Human Services, Adult Services and Aging offers reimbursement for a home based monitoring system that monitors an individual's clinical data daily; such as heart rate, blood pressure, oxygen saturation, temperature, weight and can be a medication reminder depending on the unit available.

Telehealth includes equipment rental and the set up and availability of a nurse's time to monitor and provide feedback to the individual, their family, and/or consultation with the individual's physician and the Adult Services and Aging Specialist.
