STATE LAW/REGULATIONS	MEDICAID PROGRAM
Definition of telemedicine/telehealth	
<p>Telehealth means the delivery of services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including standard telephone, facsimile or electronic mail.</p> <p><i>Source: NV Bill AB 292 (2015).</i></p>	<p>“Telehealth is the use of a telecommunications system to substitute for an in-person encounter for professional consultations, office visits, office psychiatry services, and a limited number of other medical services.”</p> <p>"Telehealth" is defined as the delivery of service from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including standard telephone, facsimile, or electronic mail.</p> <p><i>Source: NV Dept. of Health and Human Svcs., Medicaid Services Manual, Section 3400, p. 1 (Sept. 8, 2016). (Accessed Mar. 2017).</i></p>
Live Video Reimbursement	
<p>Live video reimbursement is available, including for dental plans. See Private Payers section below.</p> <p><i>Source: NV Bill AB 292 (2015).</i></p>	<p>Nevada Medicaid and Nevada Check Up (NCU) program will reimburse for live video, as long as services have parity with face-to-face services and health care professionals follow Medicaid’s policies for specific services they are providing, as well as practice standards established by licensing agencies.</p> <p>Telehealth services follow the same prior authorization requirements as services provided in person.</p> <p>Licensed Clinical Psychologists, Licensed Clinical Social Workers and clinical staff may bill and receive reimbursement for psychotherapy, but not for medical evaluation and management services.</p> <p>End Stage Renal Disease requires at least one in-person visit.</p> <p>Services NOT Covered:</p> <ul style="list-style-type: none"> • Basic skills training and peer-to-peer services provided by a Qualified Behavioral Assistant • Personal care services provided by a Personal Care Attendant • Home Health Services provided by a RN,
