Supplementing FCC COVID-19 Telehealth Grant Application - Hardest Hit Area

MTELEHEALTH

MTELEHEALTH, LLC | 255 NE 6th Avenue, Suite A, Delray Beach, FL 33483
ph 561.366.2333 | fx 561-366-2332 | www.mTelehealth.com

Supplementing FCC COVID-19 Telehealth Grant Application Hardest Hit Area

Access report HERE:

<https://healthdata.gov/Health/COVID-19-Community-Profile-Report/gqxm-d9w9>

The screenshot shows the HealthData.gov website. At the top, there is a search bar and navigation links for Home Page, Browse, Developers, and Support. The main heading is "COVID-19 Community Profile Report" with a "Health" tag and a "Download" button. Below the heading, there is a description of the report and its update date (November 8, 2021). A "Preview" section shows a thumbnail of the report cover, which includes the CDC and ASPR logos and the title "Community Profile Report November 8 2021".

Scroll down until you see the list of “attachments”:

The screenshot shows the "About this Dataset" section of the HealthData.gov website. It includes a "Download this Resource" section with a "Download" button for the file "Community Profile Report 20211108.pdf". Below this, there is a "Common Core" table with the following information:

Publisher	U.S. Department of Health & Human Services
Contact Name	HealthData.gov Team
Contact Email	HealthData@hhs.gov
Bureau Code	Department of Health and Human Services (009-00)
Program Code	Emerging and Zoonotic Infectious Diseases (009-028)
Public Access Level	Public (public)
Geographic Coverage	National
Is Quality Data	True
Update Frequency	Daily (R/P1D)
Last Update	November 09, 2021

Below the "Common Core" table, there is an "Archive" section with the following information:

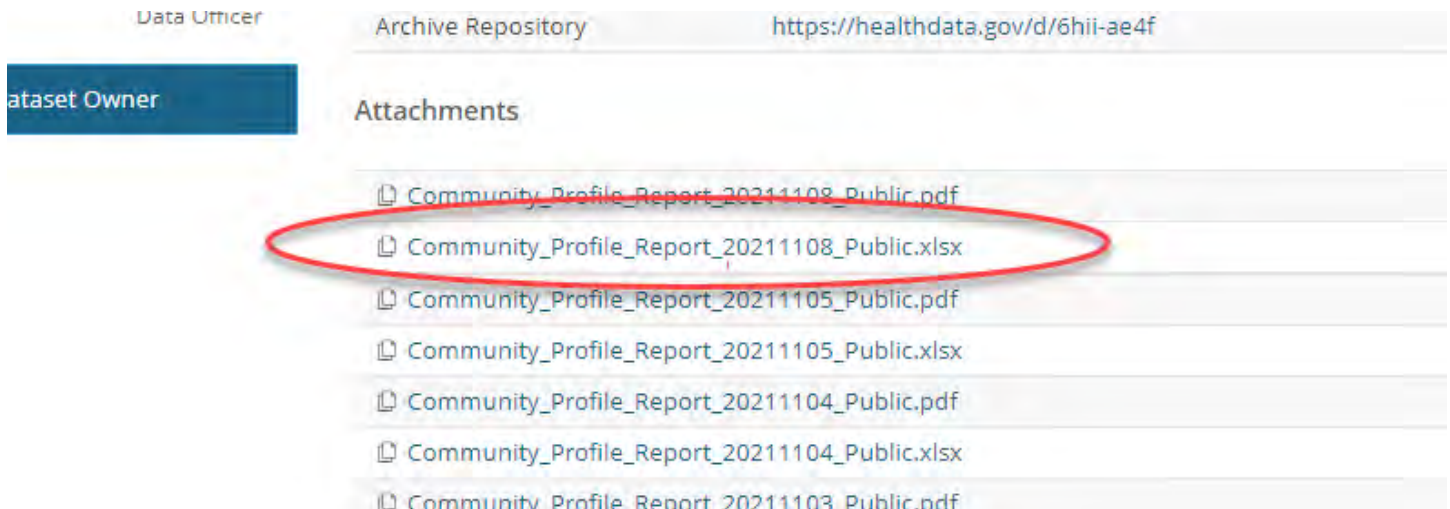

Archive Repository	https://healthdata.gov/d/0hi-ae4f
--------------------	-----------------------------------

At the bottom, there is an "Attachments" section with a list of files:

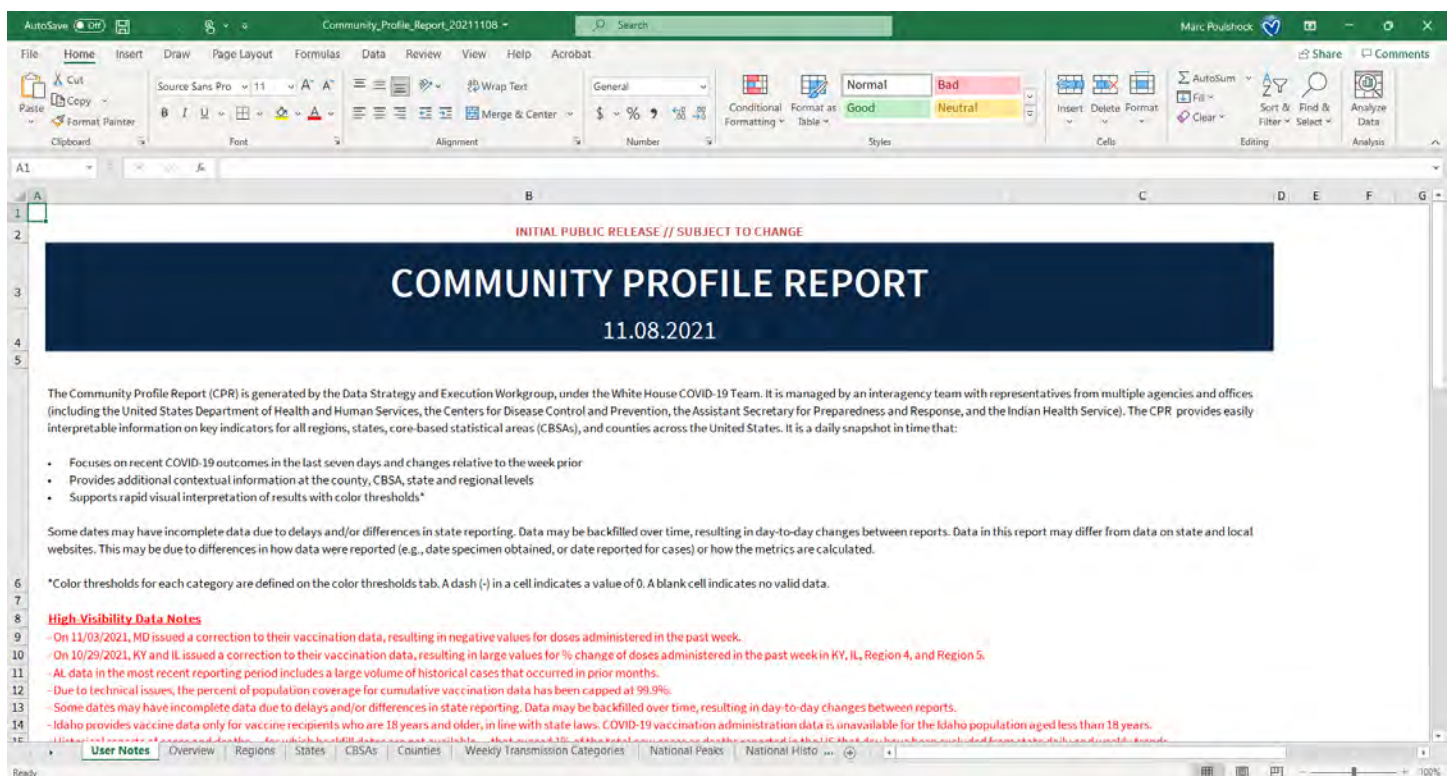

- Community_Profile_Report_20211108_Public.pdf
- Community_Profile_Report_20211108_Public.xlsx
- Community_Profile_Report_20211105_Public.pdf
- Community_Profile_Report_20211105_Public.xlsx
- Community_Profile_Report_20211104_Public.pdf
- Community_Profile_Report_20211104_Public.xlsx

A red arrow points to the first attachment, "Community_Profile_Report_20211108_Public.pdf".

Click on the **MOST RECENT** attachment in .xlsx (MS Excel) format, download, and open the Excel file (NOTE: It will probably be named **Community_Profile_Report_20211118_Public.xlsx**):

You'll see this (with the probable date of 11.18.2021 since the reports from the prior date are posted and you'll be performing this task on November 19, 2021):

Select the tab at the bottom of the Excel spreadsheet file with states, "Counties":

County	FIPS code	County type	CBSA	CBSA type	State Abbreviation	FEMA region	Population	Population as a percent of CBSA	Population as a percent of state	Population as a percent of national population

If the designation is “Hotspot” you will receive 7 points. If the designation is “Sustained Hotspot” you will receive 15 points.

If your point value has increased, you must now login to your FCC application and supplement the application with your new “Hardest Hit Area” designation and point value.
